NONE SHALL BE

# ABOUT MY FAITH MY WOMB

The My Faith My Womb Ministry was birthed in 2017 but manifested in April 2020 during the lockdown.

After 5 years of infertility, Mr. & Mrs. Forson took it upon themselves to start a Ministry with diverse interventions to encourage other couples on the waiting journey.

Having built a solid Media company over the past 9 years, the ministry was powered by Divine Media HD to start a show by combining forces. Whereas Mr. Forson was producing the show, Mrs. Forson took to hosting the show.

# 75 SHOWS IN 3 YEARS

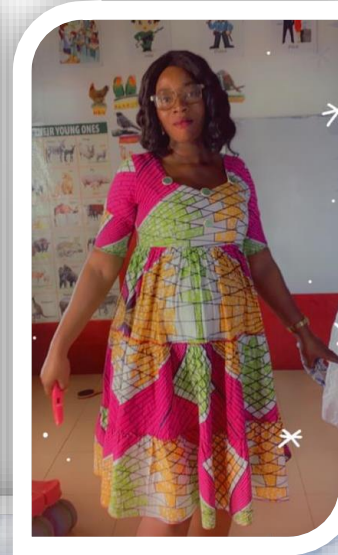

# PREGNANCIES RECORDED

Over the course of the past 3 years the ministry evolved from a show into a community on whatsapp with over 300 waiting and expecting mothers.

In total, a record number of about 35 pregnancies have been recorded over the past 3 years with over 20 of these pregnancies being from members on the whatsapp community page. In all about 32 members of the community have delivered so far since 2020 till 2023.

# BABIES RECORDED

A total of 40 babies known have been recorded over the past 3 years. Baby dedications have been attended to support these miracle parents as well with each dedication receiving gift items worth GHC 600 inclusive of cash for an investment fund for the babies.

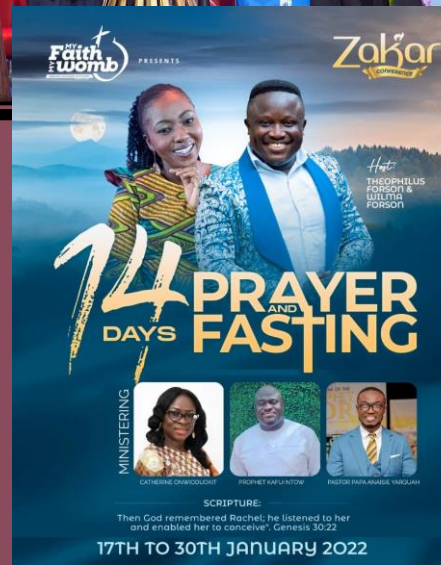

# PROGRAMS

Over the last 3 years several programs have been organized both in person and online to keep the vision moving and impacting the couples.

Programs Organized were:

2. 14 Days Prayer and Fasting Fruitfulness Conference, August 2021
3. 1<sup>st</sup> Anniversary Celebration and Book Launch, April 2021

# PROJECTS

## 1<sup>ST</sup> ANNIVERSARY CELEBRATION

In April 2021, we successfully celebrated the first anniversary of the MY FAITH MY WOMB SHOW. In attendance were the esteemed Prophet Bernard El Bernard Nelson Eshun and Rev.. Dr. Solomon Nortey. Mr and Mors. Mingle who had overcome 10 years of infertility shared their story to encourage the waiting couples. We are pleased to announce that on this night, a waiting mother was delivered from a suicide attempt and also a waiting couple delivered a bouncy baby girl after attending this Conference.

# PROJECTS BOOK LAUNCH

In April 2021, we successfully launched the MY FAITH MY WOMB BOOK. Although we have a solid viewership we were inspired to also capture aspects of our journey that were not shared on the screen and relate with that audience as well. 200 copies were printed and by God's grace have been sold out. Currently, copies are sold online on Amazon.

# PROJECTS

## NICU PROJECT 2020,2021

Over the last 3 years we have successfully organized 3 editions of an outreach to needy mothers at NICU where extremely needy mothers at NICU were scouted and full payment made of hospital bills as well as the provision of a maternity starter pack with all baby essentials for a new born. In January 2023 we provided medical equipment for the NICU ward, Korle Bu.

# OTHER PROJECTS

## FERTILITY TREATMENT SUPPORT

Over the course of the show and ministry, we have encountered a number of couples who need assistance financially to access fertility treatments and medication. As a family our whatsapp community has been instrumental in raising funds for such couples who are also part of the community.

# OTHER PROJECTS EDUCATIONAL SUPPORT

Over the course of the show, we encountered a couple all the way from the Oti Region who had miracle babies. The My Faith My Womb community once again rallied support and funds to transport the family from Oti to share their story, provide accommodation and give the family an experience of a lifetime since it was their first time in Accra. MK Photo by Mimi gave the family a free photoshoot as well. However It is unfortunate to note that the children were not enrolled in school due to financial difficulties on the part of the family and as such the community adopted the twins, enrolled them in school and regularly caters for their school fees and upkeep each term for October through to the year 2022.

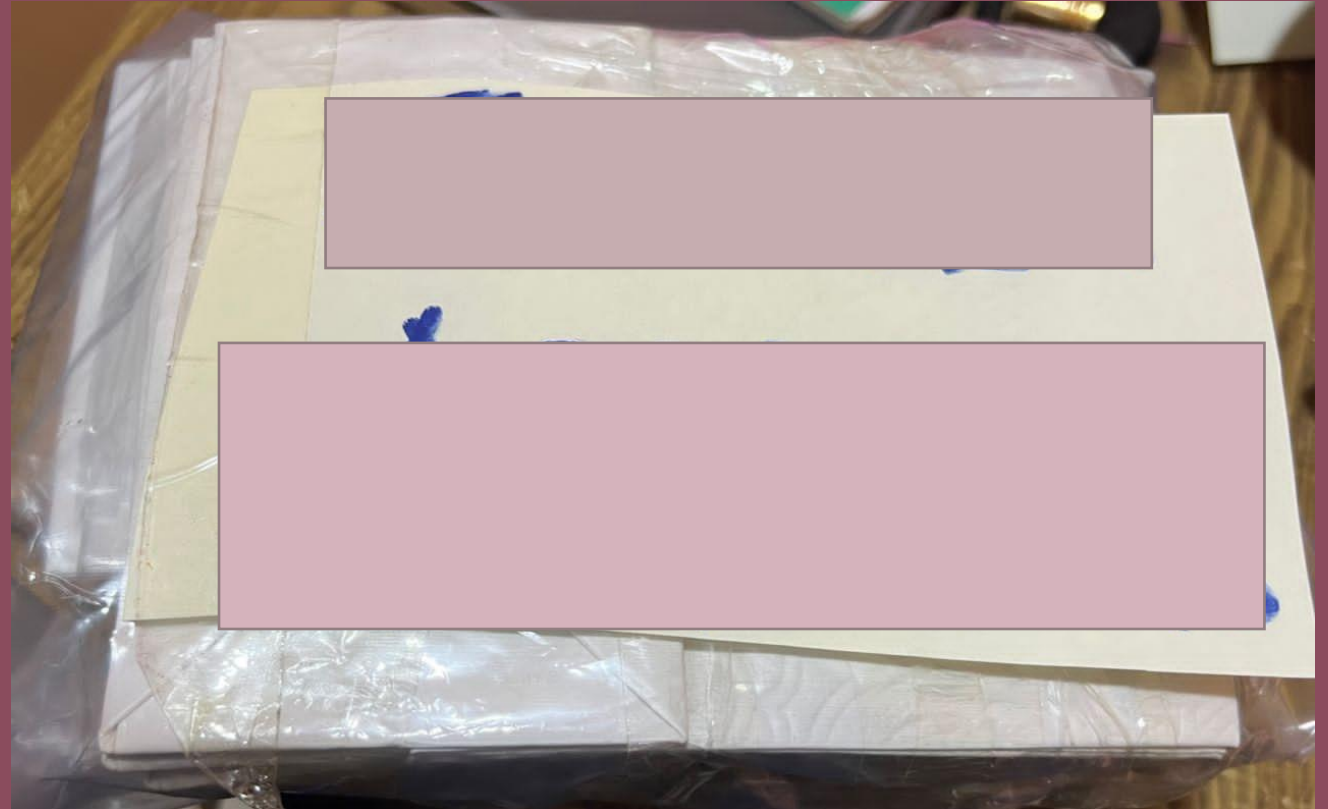

# OTHER PROJECTS

## BUSINESS START UP SUPPORT

One of the difficult situations we have encountered with most couples on this journey is the difficulty in finances due to the current economic situation and the expensive nature of fertility treatments.

We conducted a survey which showed a number of these women had also left formal employments due to the stress levels and its negative impact on the conception process. As such a Business support scheme was started to support such with an amount to start an online business.

On 30<sup>th</sup> January 2023, we crowned off the entire experience with a donation to the NICU Department Korle BU, being the Ministry's 3<sup>rd</sup> Project to the Department

On 14<sup>th</sup> May 2023, we finally kicked off Season 5 with Episode 1.

# PROJECTS

## NICU PROJECT 2023

In January 2023 we provided medical equipment for the NICU ward, Korle Bu. It was such a blessing to have been a source of hope as we provided equipment which the ward had run out of for several days due to lack of funds from Finance Department.

# PROJECTS

## A CALL FOR HELP PROJECT 2023

In October 2023 we received an emergency distress call from one of our online followers who had been delivered of their miracle baby but had no means of payment in order to be discharged. Together with a few benevolent few, we raised the amount and discharged this distressed family. We also supported them with cash and Baby items and toiletries.

# LUNCH WITH FAITH FULL FAMILY

In September 2023, we sponsored about 18 persons some couples on a lunch date to relieve them from a depressed state. A few of these women had also just miscarried pregnancies and as such was a great opportunity to put smiles on their faces.

# VIRTUAL MOVIE NIGHT SESSIONS

A total of 4 Christian Movies have been streamed during our virtual movie Nights.

1. God calling
2. Shackles Part 1
3. Shackles Part 2

Issues relating to waiting were discussed from the movie and the aftermath of each movie session turned in to an explosive prayer session.

# CHIT CHAT NIGHT SESSIONS

Each Wednesday, a zoom session is held to discuss issues relating to fertility, emotional stability, mental health, Bible study etc. Sessions have recorded amazing healing moments for these women across the globe with occasional participation from the spouses.

# CHAPTERS-

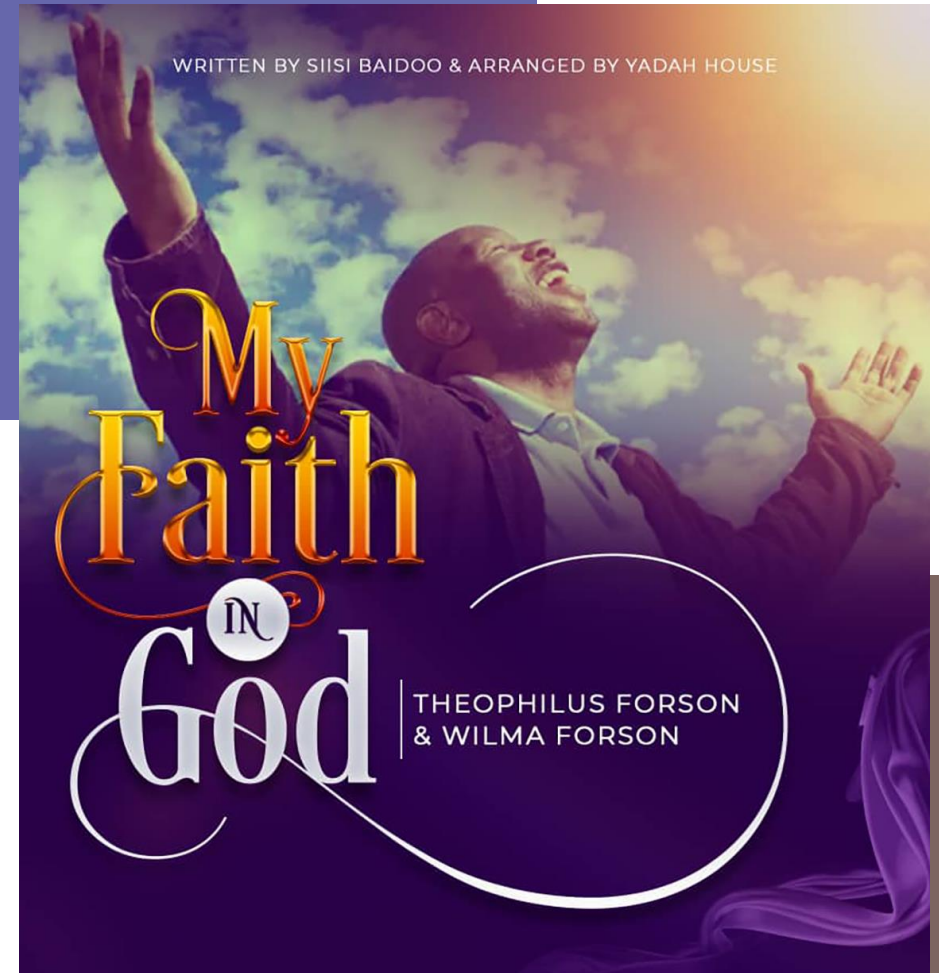

Over the years the ministry has expanded and reached thousands across the globe hence the need for us to create communities in these parts of the world to have a wider reach. This will also afford in person meetings and engagements per their respective time zones

# THEME SONG

In line with our vision for 2022 conference, the Lord laid it on our hearts to compose a theme song which will encourage anyone at all in a season of waiting to firmly trust in the Lord and the workings of the Holy spirit. Minister Siisi Baidoo run with the idea and together with Yadah House composed and arranged the beautiful theme song we are all enjoying.

# CONCLUSION

It has truly been worth serving the ministry and we look forward to greater testimonies in the coming years. God bless and water everyone who has been part of the journey so far. We look forward to Gods continued grace and your support .

Thank you !!!
